

## Publishing opportunities at Food BioTech 2021

Food BioTech 2021 team is proud to provide the participants of the conference with the best publishing opportunities. We are happy to announce two competitions: one for the publication of 5 best articles in the **Food Bioscience Journal** (Q1) and another for the publication of 10 best student articles in the **Journal of Food Science** (Q2).

5 outstanding articles (one from each section of the conference) will be published in **Food Bioscience Journal** (Q1) ranked 44th in Agricultural and Biological Sciences subject area according to Scimago journal rankings\*.
